

Denver Citywide Marching Band

Greetings!

This written request is to ask for your assistance in becoming a potential sponsor for the Denver Citywide Marching Band.

Denver Citywide Marching Band is composed of middle school and high school students from across the Denver Metro area. Under the direction of Mr. Brian K. Jordan, the band has reached critical acclaim, with such performances as the Democratic National Convention, performances at the Pepsi Center, and many appearances at local and statewide parades. The band looks forward to performing at DU basketball and hockey games this season.

The Denver Citywide Parent Corporation is a non-profit organization that supports the Denver Citywide Marching Band. We are seeking to sell advertizing on the back of our band T-shirts at the cost of \$50.00 per ad. Cost of the ad is considered a charitable donation, and therefore, tax deductible. All checks should be made payable to: DCMB Parent Corporation. If your logo will be included in the ad, please e-mail a vector art file to kwagpt@hotmail.com. T-shirts will be black with white print on the back, and therefore, clearly visible.

Because the band is made up of students from across the city, there will be widespread advertizing of your business. Not only do the band members wear their T-shirts just anytime, the kids are required to wear their T-shirts to all performances. Parents wear these shirts as well. This translates to a significant opportunity for your business name to be exposed to the general public.

Money generated from this fundraiser will go towards uniforms, transportation, new equipment, band camp, and trips. For any questions, please call Kelly Wright, President of the Parent Corporation, at 303-906-8998.

Thank you for your support!
